

SHARED SKIES

Remotely Piloted Aircraft Systems in the New Zealand Aviation System

After a century of manned aviation it is fitting that the 2015 RAeS Symposium will focus on the future of flight: the capability of remotely piloted aircraft systems (RPAS) and their integration into the NZ aviation system. In partnership with Callaghan Innovation, UAVNZ, and Aviation NZ the 2015 symposium will be a forum for the RPAS industry, RAeS members and associates to:

- learn about RPAS regulations and policy
- engage with the wider aviation community
- share knowledge about industry best practice
- network with technology and business partners

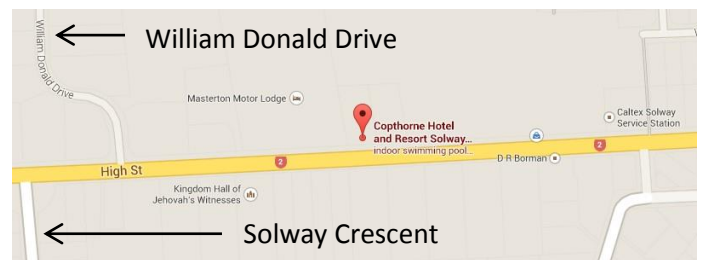

The symposium will be held at the Copthorne Hotel and Resort (Solway Park) Wairarapa on Friday 16th January in conjunction with the Wings Over Wairarapa air show. An industry tradeshow and demonstrations will be held at the air show (Hood Aerodrome) on the 17th and 18th January. A full programme will be released closer to the time.

Be part of the world-class RPAS industry right here in New Zealand!

Time and date: Friday 16th January 2015.
0830 – 0900 Registration
0900 – 1700 Symposium programme
1700 – 1800 Networking function (drinks and nibbles)

Location:
Copthorne Hotel and Resort (Solway Park) Wairarapa,
46 High Street, Masterton

The Wings Over Wairarapa Aviation Event is excited to be associated with the 2015 Royal Aeronautical Society symposium and are pleased to play a small part in the world-class RPAS industry here in New Zealand. Wings Over Wairarapa are offering a 15% discount to symposium attendees who purchase tickets as a package deal.

- Symposium only (\$100 per person).
- Symposium (\$100 per person) + Wings Over Wairarapa air show tickets (prices below).

All prices include GST. Please fill in attendance details on the next page.

Deadline for registration and payment for the symposium and air show tickets is 12th December 2014.
