Hi everyone

Well, 2018 is now into February, which means it is time to resume our monthly meetings.

On this occasion, Wednesday 21 February, Marty Cantlon will give a presentation of his recent trip to the United States during which he acquired a second Waco aircraft. Many of you will have seen the superb restoration he completed on his first aircraft so we will be expecting another magnificent aircraft out there in the circuit pattern at some stage. Marty is an interesting speaker so you are encouraged to come and listen to his talk. Feel free to pass this invitation on to others who may be interested.

The venue will be Marty Cantlon's hangar (refer to the attached diagram), the meeting will commence at 7.30.p.m.

## **Upcoming event.**

On Sunday 4th March the Wings over New Zealand forum is holding a gathering, and for the first time, it will be at Classic Flyers; commencing at 1000 going through to 1600.

Aviation enthusiasts (and partners) are cordially invited to attend. The registration fee is \$30.00, per person, which includes the cost of a catered lunch.

If you would like to attend, please email Dave Homewood [dave\\_daasnz@hotmail.com](mailto:dave_daasnz@hotmail.com) and he will provide you with a Westpac account number to pay.

Please do not leave the initial registration, or the subsequent payment, till the last minute. By paying the fee at the earliest opportunity you are helping him determine catering numbers.
