

## RAeS 150<sup>th</sup> (Sesquicentennial) ANNIVERSARY

### SPECIAL COMMEMORATIVE STAMP SALE

CAL produced by NZ Post: 12 January 2016

Divisional and Branch members throughout New Zealand and abroad, and other interested parties, are invited to purchase this special issue of RAeS 150<sup>th</sup> Anniversary CAL stamps, produced by NZ Post. Each stamp is valued for postal purposes at the Standard rate of NZ 80 cents but is priced at one dollar.

The minimum order quantity is 5 stamps (\$5); which will provide four mint stamps to the purchaser and use the fifth for postage..

1. Any number of stamps between 5 and a complete sheet of 50 may be requested from the contact below. A complete sheet of 50 stamps is priced at \$NZ50. Larger orders will also include some post and packaging charges including use of these CAL stamps for postage, or another arrangement to be mutually agreed. If you prefer stamps 'unfolded' then, as the size of the purchase increases and hence the size of the envelope and cost of postage, the Post & Packaging cost will increase accordingly. e.g. \$5 covers a sheet sent 'unfolded', so total order price for an unfolded complete sheet sent by NZ post is \$55.
2. Cheques should be made out to the RAeS NZ Division. Or, payment, annotated 'stamps' may be electronically transferred to the Society's bank account at: 06-0545-0326676-02. Evidence of the transfer payment needs to accompany any orders.

Please support your Society by purchasing these stamps and using them on your mailings.
