CPD - NZ AVIATION TECHNICAL SECTOR - 2019

The next CPD session is scheduled for **Thursday 25 July 2019, 1000-1100 (Zoom link below)**.

Kai ora fellow aviation professionals

Please find below details of this month's CPD presentations:

- **Presentation 1:** Wing Commanders Trev Hammond and Pete De Rungs will deliver a short presentation on the changes to the RNZAF technical workforce and RNZAF technical airworthiness regulatory system. These presentations will provide us all with insight on how RNZAF is following the lead of a number of other Military Aviation Authorities by moving engineer training and regulatory systems closer to their civil counterparts.
- **Presentation 2:** Flying Officer Jack Mckinney-Ryder will be delivering a presentation entitled: Pyke River Disaster: responsibilities of a Leader. The purpose of this presentation is to facilitate critical thinking around your personal responsibilities around health and safety; Food for thought to allow you think critically about your responsibilities around making sure your people, colleagues and friends, make it home safe each and every day. This is a timely and very topical presentation when considering that we are all striving to embrace the principals of the Health and Safety at Work Act.
- **Timing:** 1000-1100 Thursday 25 July 2019
- **Questions and Answers:** I hope to have time available at the end. But please use the Zoom chat function to send me questions throughout and I will endeavour to summarise at the end of each presentation.
- **Zoom Login:** <https://zoom.us/j/347448732>

Looking forward to catching up with you all next week.

Cheers

Shaun
